

# 100 Days of Harm

**The changes and attempted changes wrought in this 100 days are staggering, including:**

- Paused the adjudication of green card applications for asylees and refugees
- Issued an Executive Order targeting immigration attorneys
- Deported immigrants to third countries such as El Salvador
- Tripled the number of 287(g) agreements to deputize local law enforcement to carry out immigration enforcement
- Revoked student visas
- Arrested students for their speech
- Deported immigrants without due process
